

RENEW the High School Library

Culver City Education Foundation's 2007-2008 Fundraising Campaign

Culver City High School's library books are old and outdated (**average copyright date 1987**). Your donation will purchase new books that will allow students to have access to current materials and the variety of resources necessary for a quality learning environment.

For every \$50 donated, a book plate will be placed in a newly-purchased book. For your book plate, consider your own name, your business name, a donation in honor of a favorite teacher, or a donation in honor of a loved one. **All donations of \$1,000 or more will include an inscribed plate on a permanent plaque in the library.**
